The Queen's victory

by [MiaQc](#)

Summary

Since one-sentence fanfics are things that exist, here's one from me. I may do more.

Queen Badiane smiles.

- A translation of [La victoire de la reine](#) by [MiaQc](#)
- Inspired by [If Endless](#) by [orphan_account](#)

Queen Badiane smiled as she looked down on her unconscious and defeated enemies, the Sailor Guardians.
